OFFICE OF THE ACCOUNTANT-GENERAL FOR MYSORE, BANGALORE.

Circular dated 22nd July 1950.

All Heads of Departments.

Subject :—Settlement of S.P.F. claims of retired Government servants.

No. 584—B. II. It has been observed that bills for the final withdrawal of State Provident Fund amounts at the credit of retired Government servants are being sent to the Audit Department long after they have retired from service. When they are received it is seen that they do not always contain complete information *re*: advances taken, amount adjusted, and balance still outstanding. During the course of verification of the amount at credit of each subscriber, it is often seen that the cages in the S.P.F. ledger relating to certain past periods are left blank due to the non-receipt of the credit statements. Without getting the ledger entries posted, it becomes difficult for the Audit Department to pay the amount finally at the credit of the retired subscriber. Very often this process takes several months as particulars will have to be obtained long after the official ceased to work in the office where these recoveries were actually made. There are also other causes for these blanks. The treasuries which compile the initial accounts sometimes misclassify the credits; the credit through Exchange accounts in respect of Governmsnt servants working in different Audit Circles are sometimes passed on after a considerable lapse of time and are not posted into the ledgers then and there. Thus, all these factors have contributed to a great deal of delay in settling the S.P.F. claims of retired officials and have caused unnecessary hardship to the parties concerned for reasons which are obviously beyond their control.

2 Therefore to facilitate the final payment of S.P.F. claims as promptly as possible, the Heads of Departments are requested to send in future to the S.P.F. Section of the Audit Department the names of such officers working under them who are likely to retire in the next six months noting prominently the S.P.F. No. against each official so that priority may be given to the task of bringing such accounts to a current condition by the time the concerned officials actually retire.

3 It is also requested that Heads of Departments will forward the final bills prepared in a complete manner immediately the retired officials become eligible to withdraw their S.P.F. amounts finally.
